On the ground floor, upon entering, you will find a staircase leading to the first floor and another leading to the semi-basement. On this floor there are 4 bedrooms, two of which share a bathroom and terrace.

On the first floor there is another bedroom with a window, and on the other side of the hallway is the master suite with its private south-facing terrace, with sea views.

The semi-basement is the main living area, located at garden level, with French doors on the left leading outside.

Next to it is the dining kitchen, as well as a separate space that could be used as staff accommodation. This space can also be accessed from the semi-basement, which has its own independent entrance. The electrical room is also on this floor.

The semi-basement has parking for at least three large cars, as well as the machine room and water tanks.

This property is undergoing a major renovation and there are plans to change the layout of the 4-level house.
